- 🍌 All teams are **RANDOMLY ASSIGNED** via the Pop Warner **system**. The league uses a complex, established system for placement. There are NO TRYOUTS! Team, coaching and division placement is final and overseen by the East River Pop Warner Board of Directors.
- 🍌 This is a very structured program with a heavy emphasis on **PRACTICE** and repetitive teaching of important SKILLS and SAFE TECHNIQUES.
- 🍌 All PLAYERS **MUST satisfy 10 hours of conditioning/non-contact practice and 10 hours of contact practice PRIOR TO participating in any league game**. Please keep this in mind when planning summer vacations.
- 🍌 All **PLAYERS MUST** attend **2-3 PRACTICES/WEEK** and **attend ALL GAMES** throughout the season.
- 🍌 Required practice time of registered players is closely monitored by coaches, the league and the Board of Directors. **If minimum requirements for practice are not met, the player will not be allowed to play in a game until the minimum requirements are met.** Once the regular season begins, practices will be held 2 times/week for a maximum of 2 hours each.
- 🍌 Mandatory Play Requirement (MPR): Subject to regular attendance at practice, **each player is assured playing time in every league game**. Subject to regular practice attendance, EACH PLAYER is GUARANTEED at **MINIMUM of 12 plays** from scrimmage as a defensive and/or offensive position player. Players receive their MPR by the end of the 3rd quarter or they will start the 4th quarter and remain in until the MPR has been satisfied.
- 🍌 Coaches have the authority to play players at the position(s) and in the situations best suited for individual player and team safety.
